

## JetNet 6228G-4F-2DC

Industrial 28-port Full Gigabit with 4-port SFP Managed Ethernet Switch Dual DC Input

24 10/100/1000Base-TX 4 100/1000M SFP ports  
 Fanless  
 Security : ACL L2/L3 TACACS+ RADIUS 802.1X port isolation  
 Redundance protocol: MSR RSTPMSTP  
 USB Firmware upgrade  
 -40~75°C operating temperature  
 EN 50121-4

### Facts

#### General description

|                   |                |
|-------------------|----------------|
| Part number       | F00N6228G00000 |
| Life cycle status | Mature         |
| Warranty          | Up to 5 years  |

#### Interface

|                     |                     |
|---------------------|---------------------|
| Total ports number  | 28                  |
| 10/100/1000TX ports | 24                  |
| Fiber ports         | 4 x 1000M SFP ports |
| DI/DO (dry relay)   | 1 x Relay           |
| Console             | RS232               |
| DC power input      | 18-75VDC            |

## Features

|                                 |                       |
|---------------------------------|-----------------------|
| Switch type                     | L2 Managed            |
| Network redundancy              | MSR RDH RSTP MSTPLACP |
| Broadcast storm protection      | Yes                   |
| Security                        | ACL L2/L3             |
| DHCP server (Opt82, port based) | Yes                   |

## SW/Protocol

|  |                                |
|--|--------------------------------|
| Management   | SNMP V1/2c/3 CLI Web Trap RMON |
| RSTP/MSTP  | Yes                            |
| Traffic priority (QoS)                             | Yes                            |
| VLAN, P-VLAN, QinQ, GVRP                           | Yes                            |
| IGMP query, snooping, GMRP                         | Yes                            |
| IEEE 802.1AB LLDP network discovery                | Yes                            |
| IEEE 802.3ad LACP, static trunk                    | Yes                            |
| Jumbo frame/MAC address                            | Yes                            |
| Port mirroring                                     | Yes                            |
| DDM SFP  | Yes                            |
| IEEE 802.1x, IP/port security/SSL/HTTPS,SSH/Telnet | Yes                            |
| TACACS+, Radius                                    | Yes                            |
| SNMP/RMON/Trap                                     | Yes                            |
| CLI/Web/Telnet                                     | Yes                            |
| DHCP (server, client, Opt 82, port based server)   | Yes                            |
| Event alarm  | Port Power                     |

## Mechanical

|                         |                 |
|-------------------------|-----------------|
| Housing/protection (IP) | Aluminum (IP40) |
| Mounting                | Rackmount       |
| Operating temperature   | -40~75°C        |

## Certification

|                     |                  |
|---------------------|------------------|
| Regulatory/approval | CE/FCC/EN50121-4 |
|---------------------|------------------|

## People & Technology. Connected.

We are a people company. Our experienced, skilled and passionate people empower you to meet your challenges through best-in-class, user-friendly solutions. We are a technology company. We help you optimize processes through our software, hardware and services, and through our support. Connecting people and technologies gives you the means to accomplish your goals and ambitions, and gain a competitive edge in today's digitalized world.
